BAGNODESIGN

CARLYLE

COLLECTION

A modern classic bathroom range that blends understated luxury with refined detailing, the Carlyle collection is inspired by the elegance of 5-star hotel living.

Combining timeless forms with contemporary precision, distinctive design flourishes throughout the range: scalloped mixer edges, ornate octagonal mirrors, luxuriously profiled furniture, and wall lighting crafted from Spanish alabaster and brass elevate the bathroom into a sophisticated sanctuary.

Carlyle offers a complete bathroom solution, ensuring design continuity throughout the space. Brassware is available in a refined palette of finishes, including Chrome, Brushed Nickel, Soft Bronze, PVD Oyster and Anthracite – providing versatility for both classic and contemporary design schemes, while quality bathroom furniture is available in three finishes: Dark Oak with Soft Bronze profile, Light Oak with Oxide profile and Matt White with brushed bronze profile.

Developed with a premium finish in mind, the Carlyle range provides a cohesive solution for a complete bathroom design and a compelling new proposition for those seeking timeless elegance combined with contemporary functionality.
