BAGNODESIGN

FONTEYN

Collection

A sophisticated new range defined by its graceful curves, sculptural forms and timeless elegance, the Fonteyn collection captures the fluidity and finesse of movement, echoing the refinement of mid-century modern design.

Designed to evoke the transitional design of the 1940s and 50s into the statement-led aesthetics of the 1960s, Fonteyn combines sculptural curved forms, luxurious finishes, and intricate detailing to deliver a complete bathroom collection. The range integrates every element of bathroom design into a cohesive and aspirational offering. Its mixers and accessories feature beautifully detailed craftsmanship, available in five distinctive brassware finishes, while the ceramics range includes statement basins, WC, and bidets in six versatile finishes. The furniture selection offers curved vanities in three finishes (Urban Grey, Walnut and Mahogany), paired with mix-and-match stone-effect or terrazzo countertops, complemented by two BAGNOQUARTZ bathtubs in a classic Matt White. Elegant wall lights complete the mid-century aesthetic, ensuring every aspect of the bathroom is harmonised.

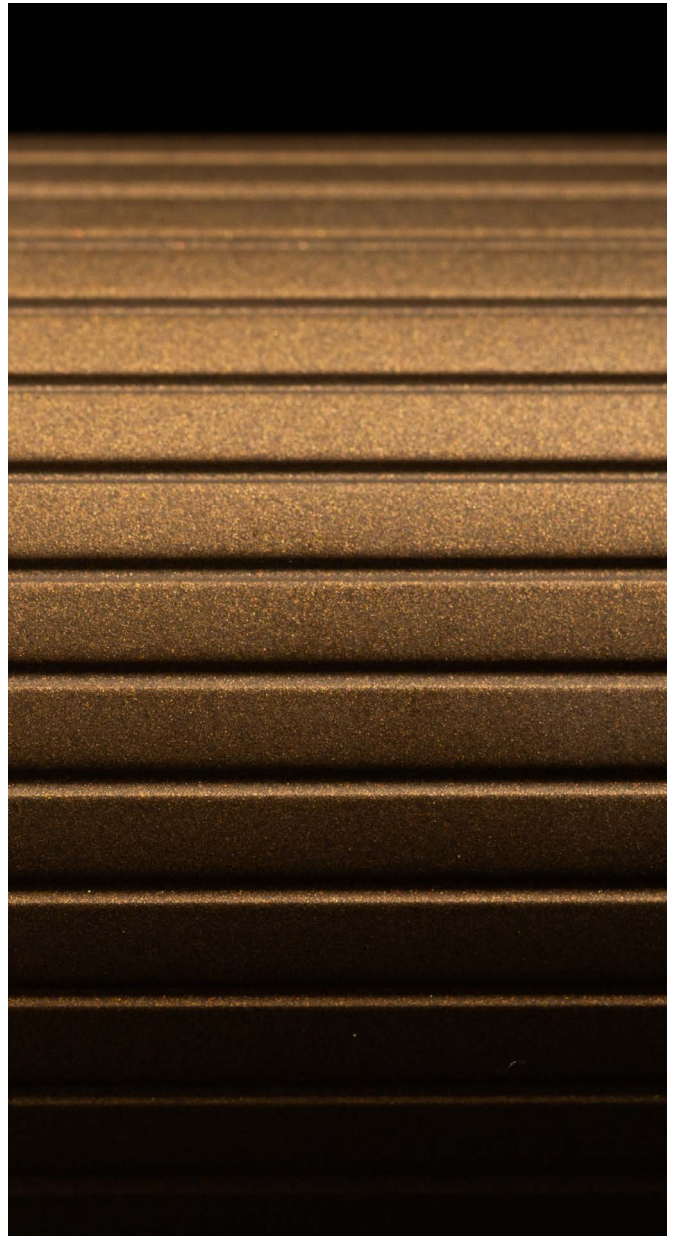

From intricate brassware craftsmanship to the sculptural forms of the ceramics, the Fonteyn collection delivers aspirational style and luxury detailing in a fully coordinated design narrative.
