Cooker **Hoods**

Clean air. Statement style.

From striking island centrepiece models to wall-mounted options that integrate into any design, the BYSTRO range of luxury cooker hoods effectively removes smoke and odours with whisper-quiet operation. Complementing any design are both the stainless steel and matt black finishes, while the Rio cooker hood can be customised from a variety of slabs from the SANIPEX GROUP portfolio, precision-cut at its Slab Fabrication facility in Jebel Ali, Dubai.

Elevate your kitchen **into Orbit**

Transform the heart of your kitchen with the BYSTRO Orbit Sink range, where exceptional craftsmanship meets striking contemporary design. More than just a sink, Orbit is a premium 304 stainless steel workstation, expertly designed to elevate food preparation, serving and cleaning while becoming a standout feature in your space.

Exclusive to the Orbit collection, the innovative Astral Steel texture reimagines traditional stainless steel with a beautifully textured surface that captures and reflects light, bringing depth, movement and new life to a classic finish. The result is a luxurious centrepiece while maintaining the durability and performance expected from premium 304 stainless steel.

Available in timeless Steel, sophisticated Brushed Burgundy and bold Black, each enhanced with an advanced PVD finish for outstanding durability. Beautifully engineered and built to perform, Orbit is designed for those who expect more from their kitchen.

Out of sight, out of mind

The BYSTRO's Deck Mounted Foldable Kitchen Sink Mixer offers a clever space-saving solution for modern kitchens, particularly those with limited clearance. This sleek single-hole mixer is designed for deck mounting and features an innovative foldable swivel spout, allowing it to be neatly tucked away when not in use. Standing 312 mm high and supplied with 1/2" flexible pipes for easy installation, it provides reliable performance with a minimum operating pressure of 1.0 bar MP. This mixer delivers convenience and style without an integrated waste mechanism.

Kitchen **Hardware**

Smart solutions, seamlessly integrated

The finest kitchens are defined by the details you don't always see.

BYSTRO's hardware collection has been designed to simplify everyday living with concealed waste solutions that maximise space while maintaining a clean, uncluttered aesthetic.

Complementing the range are sleek pedal bins, combining contemporary design with practical functionality to ensure every element of your kitchen works effortlessly together.

Waste Solutions

Discreet management

BYSTRO's built-in and freestanding kitchen waste management solutions are designed to make everyday living, much simpler. Cleverly built-in, pull-out bins glide smoothly on runners for easy access while swing-out bins stay neatly concealed behind cupboard doors. For a stylish alternative, our pedal bins are compact, efficient, and look great too.

Installation Services

Get it done right the first time

Besides delivering all your chosen appliances, we also deliver peace-of-mind. Opt-in for our installation services and our dedicated in-house team will ensure everything is taken care of. Meticulous, whether installing appliances or demonstrating functionality our team has got you covered.

Upgrade your Indoor Kitchen countertops or your Outdoor Modular Kitchen with our experts who ensure flawless fabrication from our porcelain slab collection, including chamfered edges that not only look good but provide additional durability.

Porcelain Slab **Countertops**

From **start to finish**

We offer premium Italian porcelain slab countertops designed to deliver both durability and elegance to your kitchen. We specialise in the installation of porcelain countertops, which are known for their versatility, heat resistance, and stunning appearance. Our collection features over 100 different finishes in stock, allowing you to select the perfect style for your kitchen. From sleek, modern, and minimalist looks to rich, luxurious textures, you're sure to find the perfect porcelain surface.

Our installation process is **meticulous**

Precise Measurements: We take exact measurements to ensure a perfect fit for your countertops, accounting for any unique design elements or kitchen layout.

Customisation: With over 100 finishes available, we offer a vast range of colours, textures, and patterns, from natural stone looks to vibrant, modern hues.

Professional Fabrication & Installation: Our experts ensure flawless fabrication of your porcelain slabs, including edge treatments, cuts for sinks, stovetops, and other appliances. We then carry out a seamless installation with precision and care.

Porcelain countertops are not only aesthetically pleasing but also highly resistant to stains, scratches, and heat, making them the perfect choice for a busy kitchen. And best of all, our installation service for these premium countertops is completely free of charge.

Dedicated **after-sales support**

Our commitment extends far beyond the installation. We offer comprehensive after-sales support to ensure your appliances and countertops continue to perform flawlessly. Our dedicated team is always available to assist you with:

Appliance Troubleshooting: Whether it's a minor issue or an urgent concern, we offer fast and effective support for appliance-related issues.

Countertop Care: Our team provides expert advice on maintaining the beauty and functionality of your porcelain countertops, including cleaning and upkeep tips.

Spare Parts: We keep an extensive inventory of spare parts for both appliances and countertops, ensuring any replacements are quick and hassle-free.

Rapid response for urgent matters

We understand that kitchen disruptions can be inconvenient, so we prioritise urgent cases. Should you face any issues with your appliances or countertops, our team responds quickly to minimise downtime and restore your kitchen to full functionality. In SANIPEX, we go beyond just installing your kitchen; we deliver a complete service from precise installations of appliances and countertops to dedicated after-sales care ensuring your kitchen remains a space of beauty and high performance for years to come.

Kitchen Appliances

Let the **experts** handle it

At SANIPEX, we specialise in creating inspirational and practical kitchen environments with expert installation of appliances and countertops. From the moment you select your dream kitchen, our skilled team takes over, managing every step of the process to ensure seamless integration of your appliances and countertops, without any additional cost.

Comprehensive
kitchen appliance installation

When it comes to kitchen appliances, we provide a full-service installation at no extra cost, guaranteeing optimal performance and integration into your kitchen design. Our trained specialists have expertise in installing a wide range of high-end kitchen appliances, including:

Built-in Ovens: Expert installation and calibration to ensure precise temperature control and energy efficiency.

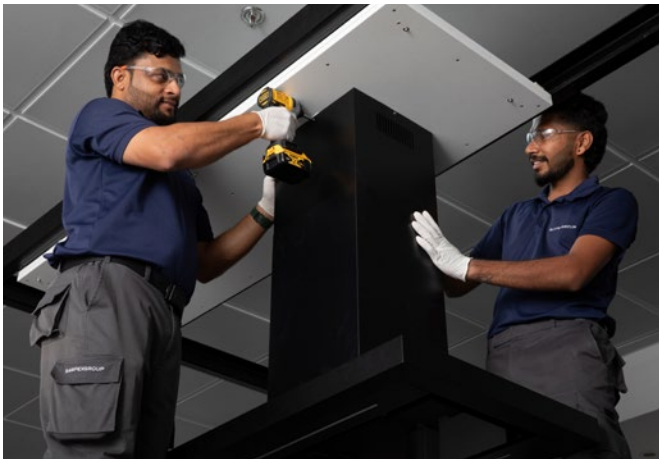

Dishwashers: Perfect integration with cabinetry, water connections, and optimised performance settings.

Cooktops & Range Hoods: Professional installation of gas, electric, or induction cooktops, along with ventilation systems to ensure safe and efficient operation.

Refrigerators & Freezers: Seamless installation of built-in or freestanding units with proper sealing and connectivity, including water line connections for fridge models with ice makers or water dispensers.

Microwaves & Other Small Appliances: Mounting or fitting appliances to maximise space, convenience and functionality.

We handle all electrical and gas connections with the utmost precision, ensuring your appliances not only function perfectly but also complement your kitchen's aesthetic. Every installation is carried out with care and attention to detail, and our team ensures your kitchen appliances are both beautiful and fully operational.
