Live Well. Outdoors

Discover the latest on-trend looks from the world's most inspirational designers and manufacturers with the new outdoor living collection from SANIPEX GROUP.

Celebrate inspired al fresco living with our new Outdoor Living collection. With everything you need to transform any outdoor area into an ultra-chic space where you can entertain, relax, or simply connect with nature, our comprehensive collection combines standout aesthetics with the ultimate in comfort, quality, and craftsmanship.

Carefully curated to reimagine luxury living and deliver an elevated experience outdoors, the new range features thousands of exceptional products. From design-led daybeds, sunbeds and sofa sets to chairs, benches, bar stools and tables of all shapes and sizes to inspiring outdoor lighting, fire pits and patio heaters, outdoor accessories, outdoor cooking, spa baths and showers, our high-quality products are as durable as they are innovative.

For devotees of the organic-luxe aesthetic, designs inspired by the fluid lines found in nature complemented by organic textures and natural finishes are an ideal choice. In contrast, those that veer towards minimal modernism will find plenty of sleek, low-slung options in muted and monochrome shades. Contemporary styling also features with designs that blur the lines between interior and exterior spaces, all crafted from ultra-durable materials selected to withstand the rigours of the great outdoors.

GYMKHANA

GYMKHANA, a homegrown brand co-founded by Daryl Barker, is a testament to the power of inspiration and innovation. Drawing from the best of international design, GYMKHANA offers a unique blend of style, comfort, and durability.

Our meticulously crafted outdoor furniture is designed to enhance your outdoor living experience. Each piece is built to withstand any climate, creating a peaceful oasis where you can relax and unwind. With a wide range of options, from modern loungers to intricately hand-woven armchairs, we cater to every taste and style.

Our dedication to quality is evident in every detail, from the luxurious materials used to the precision and care put into each finish. We understand the importance of customisation and flexibility, offering tailored solutions to meet your specific needs.

HARBOUR

Founded in Sydney in 1976, Harbour is a family-owned luxury furniture brand celebrated for its refined indoor and outdoor collections that combine timeless design with exceptional craftsmanship. Inspired by Australia's relaxed coastal lifestyle, Harbour creates contemporary furniture that balances comfort, durability, and sophisticated aesthetics.

Every collection is designed in-house and crafted using premium materials, including sustainably sourced Grade-A teak, powder-coated aluminium, natural stone, and high-performance outdoor fabrics. With meticulous attention to detail and a commitment to quality, Harbour produces furniture built to withstand the elements while maintaining its elegant appearance for years to come.

Today, Harbour has grown into a globally recognised brand, furnishing luxury residences, hotels, resorts, and commercial spaces across Australia, North America, Europe, Asia, and the Middle East. By combining innovative design with enduring materials and expert craftsmanship, Harbour continues to redefine modern living, offering versatile collections that bring effortless style, comfort, and lasting quality to both indoor and outdoor environments.

ROYAL BOTANIA

As a testament to Belgian craftsmanship, Royal Botania has emerged as a leading force in the world of outdoor furniture. Established in 1992, the brand has consistently redefined the boundaries of luxury and style, captivating discerning homeowners and architects alike. Driven by a passion for creating exceptional outdoor spaces, Royal Botania infuses each piece with a harmonious blend of nature and design. Their meticulous selection of materials, from sustainably sourced teak to weather-resistant aluminium, ensures both durability and aesthetic appeal.

Indulge in the opulence of Royal Botania's collections, designed to elevate your outdoor living experience. From sleek, modern loungers to intricately woven armchairs, their diverse range offers something for every taste and style. Experience the perfect blend of comfort and sophistication, as you relax amidst the beauty of your surroundings. Royal Botania's furniture is more than just pieces; they are architectural elements that seamlessly integrate with your outdoor space. Each piece is a testament to the brand's commitment to quality, innovation, and sustainability, ensuring a lasting legacy of luxury and refinement.

ecosmart+™
Fire

Ecosmart, a pioneer in the world of bioethanol fireplaces, has redefined the way we experience warmth and ambience. With a commitment to innovation and sustainability, Ecosmart has become a trusted name among homeowners and commercial establishments alike.

Their sleek and modern designs seamlessly blend into any interior or outdoor space, adding a touch of elegance and sophistication. Ecosmart's fireplaces offer not only warmth but also a captivating visual experience, with dancing flames that create a mesmerising atmosphere.

Beyond their aesthetic appeal, Ecosmart fireplaces are also environmentally friendly. Powered by clean-burning bioethanol, they emit minimal fumes and produce no soot or ash, making them a healthier and more sustainable heating option.

With their versatile design and easy installation, Ecosmart fireplaces can be placed virtually anywhere, allowing you to enjoy the warmth and ambience of a traditional fireplace without the hassle of chimneys or vents.

Pavilion

PAVILION

Pavilion brings structure and comfort to outdoor living, creating a dedicated space for dining, relaxing, and entertaining. Its fully motorised louvred roof allows you to adjust sunlight and shade at the touch of a button, with independently controlled sections for greater flexibility throughout the day.

Integrated lighting extends the use of the space into the evening, while generously proportioned posts and beams give Pavilion a strong architectural presence. Constructed from premium aluminium and built for all seasons, Pavilion offers a durable and refined outdoor solution.

GYMKHANA

PORTICO

Portico is designed to suit a variety of outdoor spaces, from gardens and terraces to poolside areas, creating a comfortable area for everyday use. Since it does not require fixed electrical connections, it can be installed easily in a wide range of locations.

Its louvred roof system allows you to manage sunlight as needed using a simple manual crank mechanism. Made from durable aluminium and built for year-round use, Portico combines reliability with clean, modern design.

GENEVA

Contemporary elegance for effortless outdoor living. Slender powder-coated aluminium frames, woven textilene rope detailing and generous cushioning give Geneva its tailored, residential character. Warm shades of Truffle Bronze, Morel Brown and Limestone Taupe unite the lounge and dining pieces, creating a natural sense of continuity across terraces, rooftop lounges and contemporary gardens.

PUGLIA

Puglia captures the easy rhythm of Southern Italy, where sunlit terraces set the scene for long lunches and evenings outdoors. Across lounge seating, dining chairs, bar stools and sunbeds, powder-coated aluminium frames and woven rope in soft white, light grey and beige tones balancing contemporary minimalism with relaxed coastal character.

UMBRIA

Transport yourself to the rolling hills of Italy's "green heart" with Umbria. This collection embraces calm, comfort, and timeless elegance, with colours of beige and terracotta that mirror the region's rich, earthy tones. Featuring modular seating arrangements designed to harmonise indoor refinement with outdoor simplicity, Umbria is made for tranquil moments amid lush greenery.

PORTOFINO

The Portofino collection combines elegant design with modular versatility, allowing you to create a personalised outdoor retreat. Defined by its offset forms and adaptable configurations, the collection offers both style and flexibility. Upholstered in luxurious Italian bouclé fabrics in Taupe and Stone, inspired by the pebble beaches of Portofino, each piece brings texture, comfort and contemporary sophistication to outdoor living.

THE MAJLIS COLLECTION

Inspired by the traditional Arab Majlis, the Majlis Collection by GYMKHANA brings the spirit of Arabian hospitality to outdoor living. Reimagining the traditional gathering space for modern homes, the collection blends comfort, style and heritage for patios, verandas, pergolas and balconies.

The range includes 1-, 2- and 3-seater armchairs, along with versatile modular seating. Choose from two backrest styles: a sleek aluminium frame with intricate rope detailing or a fully upholstered fabric finish. Low-profile silhouettes and plush scatter cushions provide exceptional comfort for relaxed outdoor living.

Available in four colourways — beige stripes, blue stripes, plain beige, and aquamarine & pink stripes — the collection features cabana stripes, herringbone patterns and geometric designs that can be mixed and matched to create a unique outdoor setting.

Complete the look with GYMKHANA outdoor rugs, adding warmth, texture and the perfect finishing touch to your outdoor retreat.

YOUR OWN PERSONAL OASIS

A Majlis is more than just a seating area — it is a place where people gather, connect and create lasting memories. Rooted in Arabic tradition, the Majlis offers a welcoming atmosphere designed for comfort and conversation. The GYMKHANA Majlis range features versatile modular seating in vibrant colourways, suitable for both indoor and outdoor living. With plush cushions and flexible configurations, you can create a personalised space tailored to your lifestyle.

Bring the warmth and hospitality of a traditional Majlis into your home and enjoy a setting designed for relaxation, connection and shared moments.

MENORCA

Menorca is a journey back to the essentials. Inspired by the Catalan phrase “Poc a Poc”, meaning “little by little”, this collection embodies the art of slowing down and appreciating life’s simple pleasures. With a soft, earthy palette and harmonious blend of natural teak and woven rope, each piece evokes barefoot luxury and effortless sophistication, perfect for golden-hour gatherings.

SKIATHOS

Skiathos brings the comfort of indoor seating to balconies and smaller outdoor corners. Rounded silhouettes and fully upholstered seating in water-resistant fabric give the armchair and sofa a softer contemporary character, while compact proportions make them easy to place. The light, neutral palette echoes the relaxed spirit of its Greek island namesake.

TABLES

DESIGN YOUR OWN TABLE

For a unique al fresco dining experience, our bespoke service enables you to curate your outdoor space to suit your individual style. For an ultra-stylish dining, coffee and side table, simply choose from a range of durable porcelain slab tops in different colour tones, textures and sizes, then opt for a matching frame in a teak, white or black aluminium finish: team timeless terrazzo to teak for an on-trend biophilic feel, white marble works with white aluminium for a sleek, monochrome look or, for an urban industrial edge, style grey concrete with black aluminium.

UMBRELLAS & CANOPIES

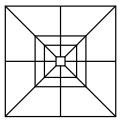

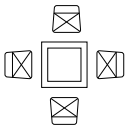

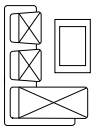

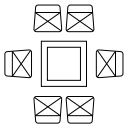

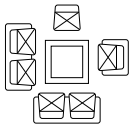

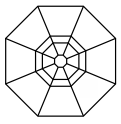

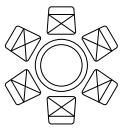

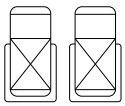

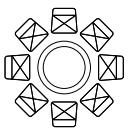

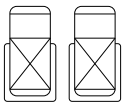

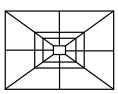

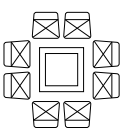

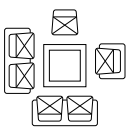

Create pleasant shaded areas for relaxing in the great outdoors with our umbrellas. Choose from a side or central pole and square, rectangle or octagonal shape with a suitable base for customised canopy. Our easy-open, heavy-duty options offer sizes of up to 4m x 4m which are available in several colour options for ease of customisation.

TYPES OF UMBRELLAS:

Centre Pole: The most popular type of umbrella has a straight pole that is positioned in the centre of the umbrella and usually sits in a base on the ground or through a table designed with an umbrella hole. Some of our beach umbrellas have a spike on the pole to be used in sand without a base.

Cantilever: This umbrella features the pole off to one side rather than down the centre. Some side pole umbrellas have a shade that will pivot from side to side and may even rotate 360°.

UMBRELLA SHAPES & SIZING:

SHAPE	SIZE	DINING	SEATING
	2 m	 Up to 4 Seater Dining	 L-Shaped Sofa
	3 m	 Up to 6 Seater Dining	 Up to 6 Sofa
	3 m	 Up to 6 Seater Dining	 Up to 2 Sunbeds
	4 - 3.5 m	 Up to 8 Seater Dining	 Up to 2 Sunbeds
	4 m	 Up to 8 Seater Dining	 Up to 6 Sofa

POLE MATERIALS:

Wood: Wood umbrellas have that classic umbrella appeal. They pair well with wooden furniture and are available in a range of sizes.

Aluminium: A very durable and versatile pole option, as aluminium is rust resistant and very strong.

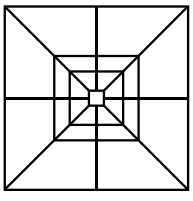

Stainless Steel: The strongest and most exotic option. Stainless steel has strength and durability as well as a high shine finish.

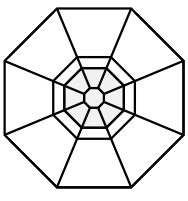

Struts: Struts are the main supports for the umbrella canopy and can be either aluminium or wood. Both options function in the same way and offer similar durability (wood may need some treatment as part of the care and maintenance programme); it is a personal choice to match the style of furniture.

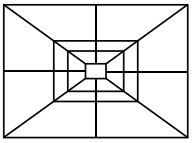

CARE & MAINTENANCE:

- Do not force your umbrella open. It should open gently. If it does not, it may be caught on something. Forcing it could damage the frame and/or the lifting mechanism.
- The umbrella must be closed when not in use. This will reduce the chance of damaging the frame in adverse conditions.
- Occasional/periodic rinsing with fresh water will keep your umbrella in good condition.

COMMERCIAL SHADING SOLUTIONS

SANIPEX GROUP's offering of commercial umbrellas delivers maximum quality shading solutions for hospitality and commercial outdoor environments. Our centre pole and side pole options are designed to suit any space, whether positioned next to sunbeds, or dining sets.

These umbrellas are constructed from high-strength fabrics and materials in a sleek design, ensuring they withstand a vast range of weather conditions while maintaining their aesthetic appeal. With sun-blocking high UV50 protection, they provide the ultimate safeguard while lounging by the pool, dining on a rooftop balcony, or simply unwinding at home in the garden.

Designed for longevity, these shading solutions create comfortable and inviting areas year-round. For a full solution, a choice of accompanying granite bases keeps umbrellas secure while covers ensure protection from the elements when not in use.

Accessories for the side pole umbrellas are an optional addition and are available to order should you wish to add an extra layer of functionality. Options include curtains for shade and privacy, rainwater gutters, floor and wall mounts, ballast kits for stability, windproof systems, and remote-controllable lighting. **Contact our sales team to learn more.**

rina menardi

Founded in 1995, Rina Menardi creates artisanal ceramics guided by the vision of Rina herself and her husband, Valter Milanese. The brand reflects a deep personal journey, where the meditative and mindful act of sculpting clay gives form to beautiful decorative objects for the home and beyond.

The final pieces—which are all proudly made in Italy—are physical manifestations of both mind and soul, and of structure and creative flow.

Every object speaks of the craftsmanship and intention that has gone into it. From vases to trays, discover decorative pieces designed to elevate interiors and be cherished for generations to come.

CRAFTED FOR THE OUTDOORS

Add a sense of style to an al fresco dining space or a dash of personality to the patio with a stand-out rug specifically crafted for the outdoors. Available in a choice of patterns and colour palettes, our distinctive outdoor rug collection combines durability with on-trend design for an underfoot aesthetic investment that will stand the test of time.

COLOUR RENDERING INDEX (CRI)

Measures the ability of a light source to accurately reproduce the colours of the object it illuminates.

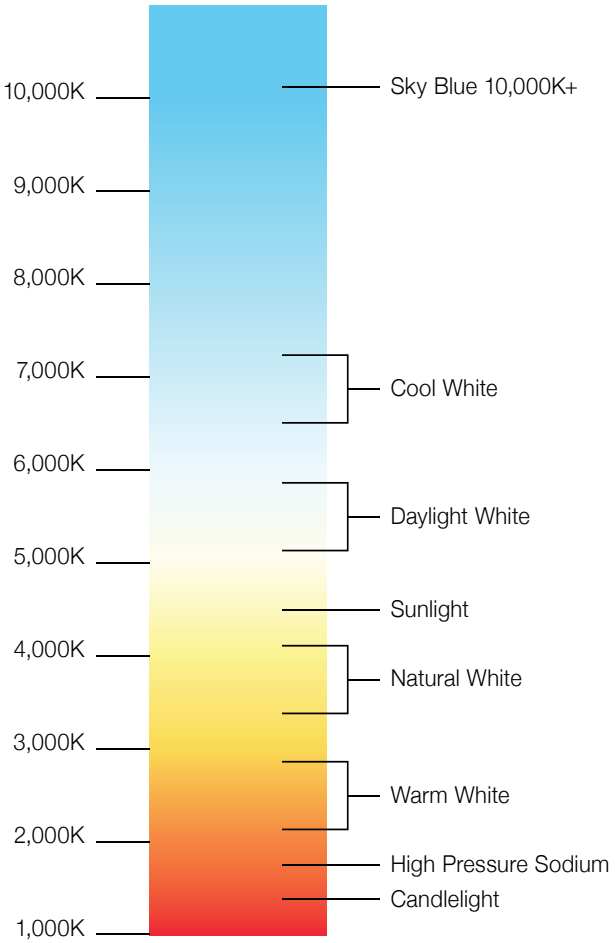

Low CRI (Below 80)
Not Accurate

High CRI (Above 90)
Very Accurate

KELVIN RATING (K)

Indicates the shade of white that is given off by the light source.

LUMENS (LM)

Unit of measurement for the luminous flux. This is the total quantity of visible light emitted by the light source.

POWER (W)

The method of measuring the rate of energy transfer.

VOLTAGE (V)

Voltage is the pressure from an electrical circuit's power source that pushes the current to the light. When the lighting fixture operates at a different voltage, a driver (transformer) is required. Voltage in the UAE is 230V.

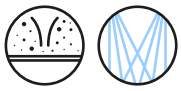

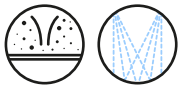

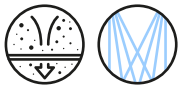

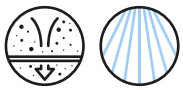

POWER EQUIVALENCY

LED equivalent wattages to traditional light sources can only be approximate, as they will vary depending on the colour temperature and quality of the bulbs being compared. Incandescent light bulbs are the least energy-efficient light source, with LED Light Bulbs using just 10% of the energy to produce the same amount of light as their incandescent equivalents.

INCANDESCENT LIGHT BULB WATTAGE	LED EQUIVALENT WATTAGE
100W	10W
75W	7.5W
60W	6W
50W	5W
30W	3W

USE ACCORDING TO IP RATING (INGRESS PROTECTION)

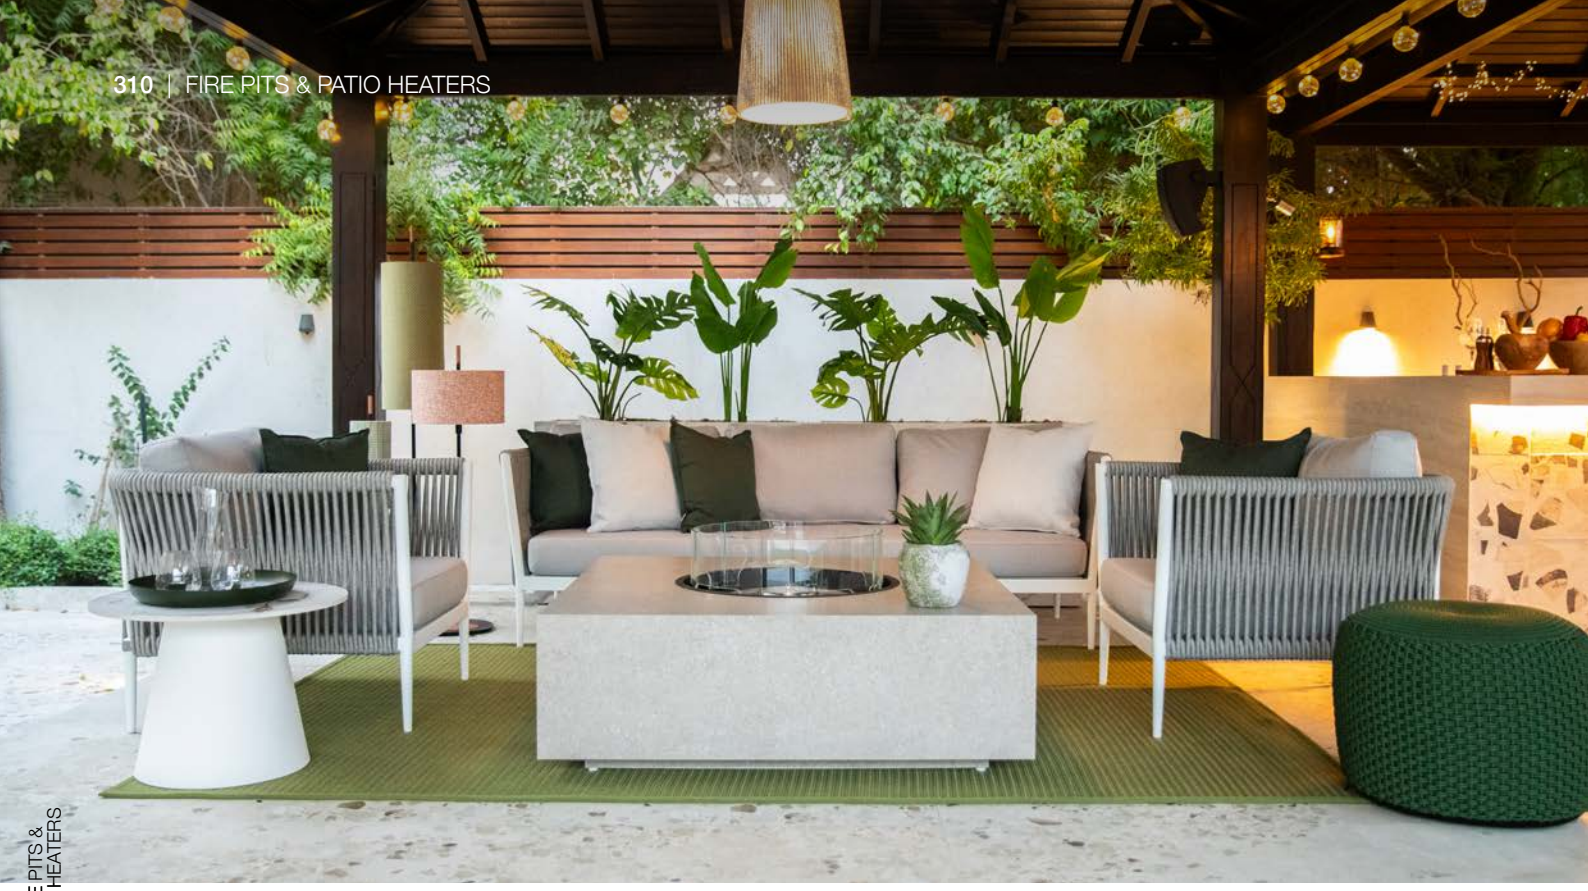

'IP' ratings are used to define levels of sealing effectiveness of electrical enclosures against intrusion from foreign bodies, tools, dirt, moisture and water. This international classification system, when considering outdoor lighting, largely refers to how waterproof a set of lights or a lighting accessory is. Please see the table below, which defines and explains the differences between each IP rating.

IP20	Protected from touch by fingers and objects greater than 12 mm. Not protected from liquids.	
IP44	Protected from tools and small wires greater than 1 mm. Protected from water spray from any direction.	
IP54	Protected from limited dust ingress. Protected from water spray from any direction.	
IP55	Protected from limited dust ingress. Protected from low pressure water jets from any direction.	
IP64	Protected from total dust ingress. Protected from water spray from any direction.	
IP65	Protected from total dust ingress. Protected from low pressure water jets from any direction.	
IP66	Protected from total dust ingress. Protected from powerful water jets from any direction.	
IP67	Protected from total dust ingress. Protected against the effects of temporary submersion in water (30 minutes at 3 feet).	
IP68	Protected from total dust ingress. Protected from long term immersion up to a specified pressure (up to 13 feet).	

FIRE PITS & PATIO HEATERS

The perfect centrepiece for your patio, a contemporary fireplace makes a serious style statement whilst creating an inviting ambience by infusing your space with a warm, welcoming glow.

Our design-led range of bioethanol-fuelled fireplaces will not only increase the aesthetic appeal of your outdoor area but also be environmentally friendly and fuel-efficient. Design flexibility also comes to the fore with this innovative collection. As they are clean-burning, bioethanol fireplaces don't require a chimney and without the need for a utility connection, all models can be repositioned as and when required.

CARE & MAINTENANCE

TEAK WOOD

Thanks to its dense grain and natural oils, teak is built to endure harsh weather conditions, from rain and snow to scorching sun. It's also resistant to rot, decay, and insects that typically damage wood. Over time, teak develops a beautiful silverygrey patina, but with regular care and maintenance, its original golden hue can be preserved for years to come.

EASY TEAK CARE TIPS:

Dust & Wipe: Keep your teak furniture clean by dusting regularly and wiping down with a soft, damp cloth.

Remove Stains: Wash away dirt and stains with mild soap or a specialized teak cleaner.

Avoid Harsh Chemicals: Steer clear of solvents, acids, or silicon-based products – they can harm your teak's finish. Furniture is placed at a sheltered position. As a general rule, teak surfaces should be cleaned and treated at least once a year.

Cover Up: When not in use, protect your furniture with a cover to shield it from the elements.

Protect & Preserve: Apply a teak protector and sealer yearly to keep the wood's rich colour intact.

WHAT ABOUT STUBBORN OIL STAINS?

Immediately Blot the Area: Gently blot or press the stained area with a clean, dry cloth to absorb as much oil as possible. Avoid rubbing, as this can spread the stain further.

Apply Teak Cleaner, Rinse & Dry: Following the same steps as standard teak care.

Lightly Sand Persistent Stains: Before applying teak protector, use a fine-grade sandpaper (220-grit or higher) to gently sand the stained area, always sanding in the direction of the wood grain.

6 STEPS TO REJUVENATE YOUR TEAK:

Clean the Surface: Start by gently removing dust with a soft cloth to prepare the surface for treatment.

Dampen the Wood: Lightly moisten the teak with water and a sponge, ensuring the surface is damp but not soaking wet.

Apply Teak Cleanser: Use a soft cloth or sponge to apply teak cleaner or mild dish soap. Let it sit for 3 minutes to lift stains and dirt.

Rinse Thoroughly: Rinse the furniture well with water, then allow it to dry completely.

Apply Teak Protector: Once dry and dust-free, apply a thin layer of teak protector using a soft cloth to preserve and enhance the wood's natural beauty.

Let it dry: Let the teak dry for at least 48 hours before exposing it to moisture or rain, ensuring the protector is fully absorbed.

Pro Tip: For extra protection, apply a teak sealant before exposing your furniture to the outdoors.

ALUMINIUM

Strong, lightweight, versatile, and corrosion-resistant. Available in a wide range of finishes, including powder coating and anodizing.

Long-lasting Protection
Offers excellent durability due to the protective coatings. Powder coating provides a thick, coloured layer, while anodizing creates a hard, oxide surface. Both protect against corrosion and wear.

Low Maintenance
Generally requires minimal care to maintain appearance.

Cleaning & Care
Regular cleaning with mild soap and water is recommended. Avoid harsh chemicals and abrasive materials. For coastal areas, rinse with fresh water to remove salt deposits.

Additional Protection
Using coasters and felt pads can help prevent scratches and stains. Applying wax or specialized products can enhance the anodized finish.

MAINTENANCE

Clean regularly with mild soap and water.

Dry thoroughly to prevent water spots.

Avoid abrasive cleaners and scouring pads.

For coastal areas, rinse with fresh water to remove salt deposits.

100% SOLUTION-DYED ACRYLIC FABRIC

100% Solution-Dyed Acrylic Fabric is renowned for its exceptional durability and colour-fastness. The colour is infused into the fibre during production, ensuring it resists fading, even in harsh outdoor conditions. This fabric is highly resistant to mildew, stains, and chlorine, making it ideal for outdoor use. Its strength, easy care, and long-lasting performance make it a top choice for furniture and other applications.

Long-lasting Protection
Colour is embedded in the fibre, preventing fading and colour loss over time.

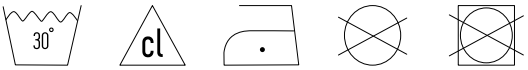

Low Maintenance
Easy to clean and maintain, requiring minimal upkeep.

Cleaning & Care
Regular cleaning helps preserve the fabric's appearance and performance.

Avoid Harsh Chemicals
Using harsh cleaners can damage the fabric's fibres.

Additional Protection
Covering furniture when not in use can help extend the fabric's life.

CLEANING

MAINTENANCE

Many common stains can be tackled with a simple solution of soap and water by using a sponge.

Remove stubborn stains with a mix of a solution of 20% bleach and 80% water. Apply to the stain, scrub gently with a brush, and rinse thoroughly.

For sanitation purposes, a diluted bleach solution (3 tablespoons per litre of water) can be used. Pat dry with a clean cloth.

After cleaning or disinfecting, always rinse the area with clean water to remove any bleach residue.

Allow the fabric to dry completely at room temperature.

POLYPROPYLENE FABRIC

Lightweight, durable, water-resistant, and stain resistant. Offers good flexibility and chemical resistance.

Long-lasting Protection
Resistant to UV rays and various environmental factors.

Low Maintenance
Easy to clean and maintain, requiring minimal upkeep.

Cleaning & Care
Regular cleaning helps preserve the material's appearance and performance.

Avoid Harsh Chemicals
Using harsh cleaners can damage the material's finish.

Additional Protection
Covering Products when not in use can help extend the material's life.

MAINTENANCE

Polypropylene fabrics are easily cleaned with water and soap, removing most stains like oil, grease, grass, etc.

For sanitation purposes, a diluted bleach solution (up to 10 ppm/litre) can be used. Pat dry with a clean cloth.

Excessive use of chlorine or other harsh chemicals may damage the material.

After cleaning or disinfecting, always rinse the area with clean water to remove any bleach residue.

Allow the fabric to dry completely at room temperature.

OLEFIN FABRIC

Olefin is a high-performance fabric engineered from synthetic fibres like polypropylene or polyethylene. Renowned for its exceptional resistance to water, mould, stains, sunlight, and chlorine, it offers outstanding durability and colour-fastness. This combination of properties makes olefin an ideal choice for outdoor furniture and applications that demand low maintenance and long-lasting performance.

Long-lasting Protection
Resists fading, discolouration, and degradation from environmental factors.

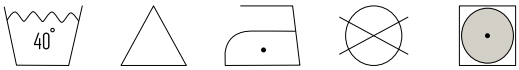

Low Maintenance
Requires minimal care due to its inherent properties.

Cleaning & Care
Easy to clean and maintain, ensuring long-lasting appearance.

Avoid Harsh Chemicals
Using harsh cleaners can damage the fabric's finish.

Additional Protection
Covering furniture when not in use can extend the fabric's life.

CLEANING

MAINTENANCE

Many common stains can be tackled with a simple solution of soap and water by using a sponge.

Remove stubborn stains with a mix of a solution of 10% bleach and 90% water. Apply to the stain, scrub gently with a brush, and rinse thoroughly.

After cleaning, always rinse the area with clean water to remove any bleach residue.

Allow the fabric to dry completely at room temperature.

QUICK DRY FOAM (POLYURETHANE)

Quick Dry Foam is a lightweight, resilient foam material designed for outdoor use. It offers exceptional comfort and support while quickly drying to prevent mould and mildew growth. This foam is an ideal choice for outdoor furniture cushions due to its durability and low maintenance requirements.

Long-lasting Protection
Treated foam can resist moisture, UV damage, and mould.

Low Maintenance
Requires minimal care with proper protection.

Cleaning & Care
Regular cleaning helps maintain hygiene and appearance.

Avoid Harsh Chemicals
Using harsh cleaners can damage the foam's structure.

Additional Protection
Covering foam cushions when not in use can extend their life.

MAINTENANCE

Spot clean with a mild detergent solution and soft cloth.

Rinse thoroughly with clean water.

Air dry completely, avoiding direct sunlight.

Avoid excessive moisture and prolonged exposure to sunlight.

POLYETHER FOAM

Polyether Foam is a soft, comfortable foam material that provides excellent cushioning. It is commonly used in a variety of applications due to its affordability and versatility.

Long-lasting Protection
Treated foam can resist moisture and UV damage to some extent.

Low Maintenance
Requires minimal care with proper protection.

Cleaning & Care
Regular cleaning helps maintain hygiene and appearance.

Avoid Harsh Chemicals
Using harsh cleaners can damage the foam's structure.

Additional Protection
Covering foam cushions when not in use can extend their life.

MAINTENANCE

Spot clean with a mild detergent solution and soft cloth.

Rinse thoroughly with clean water.

Air dry completely, avoiding direct sunlight.

Avoid excessive moisture and prolonged exposure to sunlight.

TEXTELINE

A high-performance fabric composed of PVC-coated polyester yarns. Known for its exceptional durability, resistance to stretching, cracking, mould, mildew, and UV degradation. Offers excellent comfort and support, making it ideal for outdoor furniture.

Long-lasting Protection
The PVC coating safeguards the polyester fibres, ensuring the material's longevity and performance.

Low Maintenance
Requires minimal upkeep for optimal condition.

Cleaning & Care
Regular cleaning helps maintain appearance and prevents dirt buildup.

Avoid Harsh Chemicals
Using harsh substances can damage the material's finish.

Additional Protection
Covering furniture when not in use can extend the material's life.

MAINTENANCE

- Spot clean by brushing off dirt or spraying with a hose.
- Deep clean with warm, soapy water and a soft bristle brush.
- Avoid abrasive cleaners.
- Rinse thoroughly and dry with a soft cloth.

POLYPROPYLENE ROPE

Renowned for their exceptional strength, durability, and resistance to various elements. Made from synthetic fibres, they are lightweight, buoyant, and exhibit excellent resistance to rot, mildew, and most chemicals. These ropes are commonly used in marine applications, agriculture, construction, and outdoor recreational activities due to their versatility and performance.

Long-lasting Protection
Resistant to UV rays, weathering, and most chemicals.

Low Maintenance
Easy to clean and maintain, requiring minimal upkeep.

Cleaning & Care
Regular cleaning helps preserve the material's appearance and performance.

Avoid Harsh Chemicals
Using harsh abrasives can scratch the material's surface.

Additional Protection
Covering Products when not in use can help extend the material's life.

MAINTENANCE

- Use a soft bristle brush to remove any dirt or debris.
- Spot clean with a mild detergent solution and soft cloth.
- Rinse thoroughly with clean water and a lowered pressured hose.
- Avoid harsh chemicals and fabric softeners.

POLYESTER ROPE

Polyester ropes offer excellent resistance to abrasion and stretch, making them suitable for various applications. Polyester ropes are often used in marine environments, climbing, and general-purpose applications.

Long-lasting Protection
Resistant to fading, mildew, and abrasion.

Low Maintenance
Easy to clean and maintain, requiring minimal upkeep.

Cleaning & Care
Regular cleaning helps preserve the fabric's appearance and performance.

Avoid Harsh Chemicals
Using harsh cleaners can damage the fabric's fibres.

Additional Protection
Covering furniture when not in use can help extend the fabric's life.

MAINTENANCE

Use a soft bristle brush to remove any dirt or debris.

Spot clean with a mild detergent solution and soft cloth.

Rinse thoroughly with clean water and a lowered pressured hose.

Avoid harsh chemicals and fabric softeners.

POLYETHYLENE

Lightweight, durable, water-resistant, and chemically resistant. Offers good flexibility and impact resistance.

Long-lasting Protection
Resistant to various environmental factors and chemicals.

Low Maintenance
Easy to clean and maintain, requiring minimal upkeep.

Cleaning & Care
Regular cleaning helps preserve the material's appearance and performance.

Avoid Harsh Chemicals
Using harsh cleaners can damage the material's finish.

Additional Protection
Covering Products when not in use can help extend the material's life

MAINTENANCE

Spot clean with a mild detergent solution and soft cloth. A water pressure jet can also be used *(do not aim too close).*

Rinse thoroughly with clean water.

For stubborn stains, a sponge is recommended. Wash always in the same direction.

For grease stains, use a cloth with dissolvent, rinse thoroughly.

TRAVERTINE

Travertine is a natural stone renowned for its elegant and porous appearance. Formed from limestone deposited by mineral springs, it brings a timeless, earthy aesthetic to interior and exterior spaces. To maintain its beauty and longevity, proper sealing is essential to protect against stains and moisture.

Long-lasting Protection
Regular sealing can help protect against stains and damage.

Low Maintenance
Requires consistent care to maintain its appearance.

Cleaning & Care
Frequent cleaning is essential to remove dirt and prevent buildup.

Avoid Harsh Chemicals
Using harsh substances can damage the stone's finish.

Additional Protection
Using coasters and trivets can help prevent stains and scratches.

MAINTENANCE

- Regularly brush off loose dirt and dust.
- Clean with a mild soap solution and soft cloth.
- Rinse thoroughly and dry immediately to prevent water spots.
- Use coasters to protect the surface.
- Clean up spills promptly.
- Avoid abrasive or acid-based cleaners.
- Clean furniture regularly, especially in salt water environments.
- Avoid letting water pool on the surface.

PORCELAIN

Porcelain is a durable material known for its strength, resistance to weathering, and elegant appearance. It is a popular choice for both indoor and outdoor applications.

Long-lasting Protection
Inherent durability protects against environmental factors.

Low Maintenance
Requires minimal care due to its resistance to wear and tear.

Cleaning & Care
Regular cleaning helps maintain appearance and hygiene.

Avoid Harsh Chemicals
Using harsh substances can damage the porcelain's finish.

Additional Protection
Using coasters and trivets can help prevent scratches.

MAINTENANCE

- Clean with mild soap and water.
- Rinse thoroughly and dry immediately.
- Avoid abrasive cleaners.

Enhance your outdoor living spaces with our versatile outdoor tile collection. From floors and walls to patios and poolside areas, our diverse range offers the perfect solution for any design aesthetic. Choose organic textures for a biophilic-inspired ambiance or opt for contemporary styles. Our tiles are available in non-slip and no-fix options, ensuring both safety and convenience.
